

COVID-19 Guest Policy

Due to concerns about the COVID-19 Virus, we ask that you not bring any guests with you to your appointment (including children that are not the patient or have the appointment).

- If a guest is needed for check in, we request only one person accompany for checkin. Once the check in process is complete, we will ask any other guest please wait out in the car.
- If a guest is needed to accompany a patient in the exam, we request only one person. Accompanying a patient during the exam will only be allowed if the patient is 9 years or younger, if the patient needs assistance with mobility, or if a translator is needed. We may request you to stay in one room while additional testing is completed.

Thank you for your understanding, stay healthy!
